

Missouri State Treasurer Eric Schmitt launched the Missouri ABLE program last year. He has spent much of the past year touring the State of Missouri to talk about the program.

The Missouri ABLE program offers tax-free savings accounts for Missourians with disabilities. The account allows individuals with disabilities the ability to save and invest up to \$14,000 per year without losing federal government benefits such as Medicaid or SSI.

Missouri State Treasurer Eric Schmitt will be joined by Terry Combs, CEO of the Chariton Valley Association, in Kirksville to speak about Missouri ABLE and answer questions about the program. You are invited to join!
