

Resource Advisor

The help you need – when you need it most

Imagine having a counselor, a lawyer and a financial consultant on call whenever you need them. Actually, you don't have to imagine it because with Resource Advisor, you already do. And, it's included with your Anthem Life Insurance Company group life and/or disability plan at no extra cost.

Best of all, with Resource Advisor, you get resources you can use right away and when you have a claim.

Counseling

You and your family can call the Resource Advisor toll-free number to speak to a counselor at any time, day or night. And they can set up face-to-face or online counseling with a local licensed professional, such as a psychologist or social worker. You and your family members can get up to three counseling sessions, face-to-face or online using LiveHealth Online, for each concern, like job stress or family issues.

Legal

Contacting a lawyer can be intimidating. Resource Advisor helps take the intimidation factor out of it. With a call to the toll-free number, you can get a consultation with an attorney at no charge. If you want to meet with an attorney in person, the legal consultant can set up an appointment. And you can even get a discount on the visit.

Everyone needs a will but many people skip this important task because they don't have access to information they need. But Resource Advisor can help. Log onto the Resource Advisor website and access an interactive tool that guides you through questions and answers about your situation and then creates a will just for you.

Resource Advisor also has an online library of over 100 legal forms to help in situations like creating a power of attorney or a bill of sale.

Financial planning

You can also count on help managing your personal finances. Call Resource Advisor to set up one-on-one financial counseling with a certified professional financial planner. They can help with issues like planning for retirement, saving for a child's education and more. You can get help for each concern.
