

DeltaVision[®]

Seeing is Believing

DeltaVision[®] plans are superior for a reason

DeltaVision is a smart, affordable way for you to keep an eye on your vision — and your overall health. With the Superior Vision[™] National network, you have access to one of the largest and most diverse provider networks in the nation: 100,000 access points with an exceptional combination of independent providers and retail locations.

One of the largest retail networks in the nation

You can use your full benefits and full allowance at any in-network provider without exceptions, limitations, or reductions. You can save money—and still have the freedom to choose from an extensive variety of frames.

And More

Keeping an eye out for you

When you see your eye care provider, you can get tips and solutions for common vision and eye issues, including:

- Computer Vision Syndrome
- UV protection of corneas and retinas
- Eye safety (work and play)
- Impact of glare on your eyes
- The effect of standard medications on eyesight

Allow us to open your eyes

Some systemic diseases and health conditions can also be diagnosed through a comprehensive eye exam, including:

- Diabetes
- Glaucoma
- High blood pressure
- Macular degeneration

Early detection can help lessen some of the long-term effects and help preserve vision.

More Eye Care Providers

50 major retail optical chains, plus independent providers and online contacts—all in-network.

More Options

You can get eye exams at one place and buy eyewear at another for greater selection.

More Freedom

You are free to choose from any brand, lens type and price point on eyeglass frames or contact lenses.
